Rockefeller Anniversary  
Save \$640,000,000  
Man's Greatest War

By ARTHUR BRISBANE  
JOHN D. ROCKEFELLER, beginning his eightieth year yesterday, is one of the people generally known as "the great ones." From his father's estate he inherited the Catskill footings, and his uncle drove off to the west, and saw him come back with a fortune.

He has gone out to every harbor and every port, fighting day after day with the heat. And now, after a night's rest, now that the heat has made little progress, the progress of the heat is still the same.

It is estimated that the plan is to save \$640,000,000. The plan is to save \$640,000,000. The plan is to save \$640,000,000. The plan is to save \$640,000,000. The plan is to save \$640,000,000.

### PICK TENTATIVE JURY IN FOOS MURDER TRIAL

Twelve Temporarily Seated Following Examination of 34 Prospects

SPECTATORS TURNED AWAY  
Believe Prosecutor Wiedemann Will Ask Death Penalty for Koon

**BULLETIN**  
After exhausting the special venire of 65 names, the Henry Foon murder trial was adjourned until 9 o'clock Tuesday morning.

The venire was exhausted at 3 o'clock this afternoon. Court was adjourned by Judge George B. Scofield in order to allow time for drawing additional names from the jury wheel. Summoners will be prepared and served this afternoon.

When court was adjourned three preliminary challenges had been exercised by the defense attorney. Two places were filled, leaving 11 tentatively seated on the jury. The state's attorneys, Frank Wiedemann and Carter Patton, had not exercised any of their four challenges when court was adjourned.

As the court opened this afternoon following the noon recess, Mrs. Foon, widow of the murdered man, together with her daughter and son-in-law, Mr. and Mrs. G. W. Bird entered the courtroom. This was the first appearance of Mrs. Foon in court.

Twelve jurors had been tentatively seated in the Henry Foon murder trial in common pleas court today when the court recessed at 11:30 o'clock. The box was tentatively filled after 34 prospective jurors had been examined. It required two and a half hours to fill the box.

The tentative jury follows:  
Nelson G. Irwin, 376 Greenwood st.; Harry D. Ammann, 491 Delaware st.; Ray Geer, 504 Mt. Vernon st.; George Hildebrand, 1263 East Center st.; George Neely, 232 E. Church st.; N. E. Arnold, 372 South Main st.; J. P. Robinson, R. D. 2, Morral; Miles Longshore, 308 South State st.; Daniel Seiter, R. F. D. 1, Marion; John L. Berringer, R. E. D. 4, Marion; Joseph Arthur, 604 South Prospect st.; and Jacob Carey, R. F. D. 2, Agonia.

With the opening of court this afternoon, prosecution and defense attorneys were to begin exercising their preliminary challenges of the tentative jurors. Sixteen preliminary challenges are allowed the defense and four are allowed the prosecution.

Of the persons examined, 18 were disqualified because they stated that they had already formed a positive opinion that could not be changed by evidence introduced during the trial. Four were excused because they were opposed to capital punishment.

### Marion Youth Wins Berth on Olympic Squad

John R. Huffman, 24, Grandson of Mrs. E. G. Baldinger, To Represent United States on Fencing Squad in Amsterdam Competition; To Tour Capitals of Europe on Completion of International Contests

JOHN R. HUFFMAN, 24, a grandson of Mrs. E. G. Baldinger, 280 Mt. Vernon av., has landed a berth on the United States Olympic fencing team, according to word received here recently.

Huffman was one of 12 picked to represent the United States in the Olympic fencing matches. His selection followed the try outs held recently in New York City. The Marion man was rated as second best of the group to try for the honor.

Huffman will sail for Amsterdam, Holland with other United States Olympic athletes July 11 on the S. S. President Roosevelt. According to the plans of the Olympic commission, the athletes will live aboard the ship while in Amsterdam.

Another honor was bestowed upon Huffman when he was selected as one of a group to tour the capitals of Europe following the Olympic games. He expects to return to the United States in September.

Although Huffman did not graduate from Harding high school he was a member of the class of 1932.

He graduated in that year from Central high school in Washington D. C. In 1932 he graduated from the Sheffield Scientific School of Yale university. He received the degree of a chemical engineer and is now taking work leading to the degree of doctor of philosophy in that subject.

Won Titles.  
Until five years ago Huffman had never fenced to any great extent. Since taking up the sport he has won the Connecticut state championship, the Junior National championship, and has been runner up for the Senior National championship. He is a two weapon man, using both the saber and foils.

For two years Huffman has been a member of the Yale intercollegiate fencing team and has won both the major and minor letters in this sport.

### RECORDS SHOW HUGE INCREASE IN MARION DEBT

Summary for County Shows City Leading with Over Million in Eight Years

Marion county units of local government together with other local organizations over the entire state have increased their debts in huge proportions within recent years.

A study of records in the office of County Auditor Earl E. Thomas shows that, with one or two exceptions, local government units in the county have greatly increased their debts, and in some cases more than doubled them, since 1919.

Only two local governmental units in the county have decreased their debts within recent years, according to the auditor's records. The total debt of the various townships in the county has increased from nothing in 1919 to \$11,700 in 1932.

The Marion municipal government shows the greatest increase with an addition of nearly a million and a quarter dollars which more than doubles the debt in the eight-year period between 1919 and 1932.

All estimates on increase of debts must be based on the period between 1919 and 1932 due to the fact that records in the auditor's office are available only for those and the intervening years. More recent figures are available only in the case of the county debt.

The only local unit of government to show a debt decrease during this period is the village governments. The villages decreased their debt more than \$86,000 in this period. The village of Agonia decreased its debt more than \$86,000 in this period.

Although the county's bonded indebtedness was approximately \$77,000 higher in 1932 than it was in 1919 it has shown a considerable decrease since then, records show. The county's bonded indebtedness was reduced approximately \$200,000.

### MAN WHO AVENGED BROTHER EXONERATED

William Keeran Cleared of Criminal Intent in Slaying Near Urbana

Urbana, O., July 9.—William W. Keeran, 31, who avenged the death of his brother, Milton H. Keeran, 35, by killing Milton's slayer, Fava Oiler, a farm hand, near here Saturday, stood exonerated today of any criminal intent in connection with Oiler's death.

William Keeran was slain Saturday morning when Oiler suddenly appeared at Milton's home and opened fire. Oiler fled after the shooting and a posse was organized, headed by William Keeran. The searching party trailed Oiler by means of tramped grass blades and came upon him hiding in a depression in a wheat field.

### OFFICIALS DECLARE SUNDAY RACES OFF

Decree, Made by Mayor Hazen Two Years Ago, To Be Upheld

When Raymond Jones, of Newark, announced yesterday that he would stage motorcycle races at the fairground Sunday July 15, they reckoned not with the city officials. If the races are held here on that day it will be in defiance of orders of officials.

Mayor Earl Hazen, Safety Director William Strayer and Chief of Police Thompson, were unanimous in their statement this morning that there will be no motor cycle races at the fairground Sunday. "The fairgrounds are in the city limits," Mayor Hazen said, "and we do not intend to stand for races of any description on Sunday."

According to the information given out by the promoters, a purse of \$150 would be offered and the race would consist of four heats, two five-mile and two 10-mile. A ruling was made by Mayor Hazen, two years ago, that Sunday races would not be permitted at the fairground.

### AERIAL HONEYMOON

Grand Rapids, Mich., July 9.—The first transatlantic aerial honeymoon with Paris their destination is being planned by First Joseph Passmore, of Grand Rapids, and his bride, formerly Miss Marjorie Hink, of Holland, Mich.

They plan to start from New York about Sept. 1. The plane will be called the "Spirit of the American Legion." The Passmores were married about June 30.

### SEEK TO LAND NEW VOTERS FOR HOOVER

Drive To Win Majority of 8,000,000 First Voters Started Today

Washington, July 9.—A national drive to draw into the Republican party a major portion of the 8,000,000 young men and women becoming voters for the first time this fall was put under way today as an additional means of placing Herbert Hoover in the White House.

A special plea to Republican state organizations to enroll the new voters has been sent out by Hubert Wood, the new Republican national chairman. He directed all national committees to aid in the drive. With Hoover as the nominee, Wood told his associates, the Republican party ought to win not only an overwhelming majority of the new voters but of the leadership votes as well. With these two groups lining up with the Republican party, he contended, Hoover would be overwhelmingly elected over Roosevelt.

Hoover's present plans call for his leaving Washington within a week, possibly next Saturday or the following Monday. The campaign will go directly to the South, where Hoover is expected to win a large number of votes. He will then go to the West, where he is expected to win a large number of votes. He will then go to the North, where he is expected to win a large number of votes.

### MAN ESCAPES FROM SHERIFF AT STRATFORD

Lynn Atkins, Arrested in Marion, Pulls Gun on Captors

Report of the escape of Lynn Atkins, 40, of Columbus, who was arrested as he stepped off an excursion car here this morning, was received by Police Chief J. W. Thompson, early this afternoon.

Atkins made his escape from Deputy Sheriff Ralph Paul, another deputy sheriff and two women deputies, all of Franklin County at Stratford, while they were enroute back to Columbus in an automobile, according to the report.

The prisoner made his escape by holding up the deputies with a gun he found in a handbag in the rear of the machine. Handcuffs, taken off of Atkins when he was stopped in Delaware for lunch, were not required on his hands when the journey was continued.

Atkins compelled the driver of the car to stop at the point of the gun and after releasing the deputies of their guns made his getaway. He ordered the deputies to continue the drive and stepped out of the car. He was last seen heading a car traveling in the direction of Delaware. Whether the passing motorist was compelled to stop at the point of his gun or was a confederate of Atkins is not known.

Atkins is wanted in Columbus on a charge of contributing to the delinquency of a 15-year old girl.

### FLIER STRESSES NEED FOR CITY LANDING FIELD

Junior Chamber of Commerce Accepts Offer To Hold Demonstration Here

Further evidence of the need of a landing field here, was demonstrated Saturday afternoon when C. L. Cradell, of the Ft. Wayne landing field, visited this city for the purpose of discussing the proposed field here with members of the Junior chamber of commerce. At the flying over the city for some time, seeking a place to land, he came down in a field just south of the Harding Memorial.

In a conference later with members of the Junior chamber of commerce at the office of C. L. Cradell, the pilot offered to bring several other pilots to this city at some future time for the purpose of staging a series of demonstrations, similar to those given at the dedication of the new landing field at Van Wert, June 21.

One purpose of the demonstrations would be to show the safety of air travel even in case of accident to the engine. In the demonstration at Van Wert, Cradell brought his plane to the ground, landing within three feet of a flag set up as a mark, after killing his engine at an altitude of 1,000 feet. Other pilots made similarly successful landings from the 1,000 foot altitude, although Cradell came closest to the flag.

The proposed meeting was discussed at some length by members of the Junior Chamber of Commerce and it was decided to hold the demonstrations here, although no date was set. The Ft. Wayne man offered to spend several days here if necessary in planning and arranging for the meeting.

### "WET EAST" PUZZLES HOOVER SUPPORTERS

Fail To Agree on Program for Campaign Against Smith in Seaboard States

Washington, July 9.—The Republican directors of Herbert Hoover's campaign are in a quandary as to how to meet what they call "The Al Smith menace" along the wet Atlantic seaboard, from Maryland to Massachusetts.

This was evidenced on all sides today as the eastern leaders of the party cleared out of Washington after two days of conferences, which failed to develop a clearly defined policy for this important section of the country.

Differences of opinion arose and prevailed throughout the two-day session, and it was because of these that the first line in many parts of the seaboard states will be to keep the campaign as a local matter, rather than a national one. The question has been discussed by the Republican leaders in the seaboard states, and it was decided to hold the demonstrations here, although no date was set.

### MANY DIE AS MERCURY GOES TO HIGH MARK

Torrid Weather Blamed for Long Casualty Record in Several States

MERCURY 90 HERE  
Son of Iberia Residents Listed as Drowning Victim; Two Die in Delaware Accident

All heat records for the year were broken here yesterday when the mercury climbed to 90 about 3 o'clock in the afternoon. Excessive heat throughout Ohio was held responsible for an almost unprecedented number of deaths as a result of heat prostrations, as well as traffic accidents and drownings.

Relief from the heat came here at noon today in the form of cooling showers. With the mercury at 81 and rapidly mounting the day promised to be as hot or even hotter than yesterday. A weather forecast of "possible local thunderstorms tonight, but quite as warm Tuesday" promises further relief from the torrid wave.

Last night the mercury dropped to 71, only eight degrees less than the high temperature for a year ago, when the mercury dropped from 79 to 58. One Morrow county death as a result of the heat, occurred in Cleveland late yesterday afternoon, when Emil Plechtwait, 21, son of Mr. and Mrs. John Plechtwait, of Iberia, met his death by drowning. He is believed to have been overcome by a cramp while swimming.

Two killed near Delaware. Another death in this locality resulted from the automobile accident Friday night in Delaware in which Miss Dorothy May Stratton, 17, daughter of Mr. and Mrs. Edward W. Stratton of that city, was almost instantly killed. Miss Sara Kinchel, 17, Delaware, was the second victim to die.

The accident occurred when the car, in which Miss Stratton, Miss Kinchel and four companions were riding, swerved over a 20 foot cliff into the Chesapeake River after being slowed by a passing truck. Other occupants of the car, all of whom were injured, were Miss Mary Benton and Grant and Edith Johnson of Delaware and Raymond Field of Hyattsville.

Three Marion men escaped serious injury in accidents here Saturday and Sunday nights. V. E. Bradford, Chicago, sustained a broken arm and body bruises early Saturday night when the machine in which he was riding crashed into a ditch on Harding Highway W. to avoid colliding with a horse and buggy. ## PADDOCK MAY NOT REPRESENT U. S. IN AMSTERDAM GAMES

"Fastest Human" Due in New York Today to Defend Standing in A. A. U.

BY DAVIS J. WALSH

New York, July 9.—Charles W. Paddock was due in New York today to face the necessity of proving himself innocent of a charge of having previously been held not guilty. The A. A. U. sponsored this evidence of oblique jurisdiction, when it delivered a statement yesterday that Paddock would not represent America in the Olympic games if, by July 13, the closing date for the entries there was no change in the existing situation. It will not be necessary for the registration committee to prove him guilty, according to Frederick W. Ruben, mouthpiece of the organization. All they ask of Paddock, it seems, is that he prove himself innocent and, if you want the judgment of the average layman, the so-called "fastest human" simply lacked the necessary speed to keep up with the fast one the A. A. U. and the American Olympic committee put over on him.

### Drew Large Crowds

Ruben said the American objections were entered when Paddock's name was brought before the committee. Where were those objections drawn while Paddock was helping to draw 50,000 admissions at the Los Angeles trials and about 40,000 at Cambridge on Friday and Saturday?

Paddock was named in the team selections for the 200-metre event yesterday with the provision that, if he hadn't proved his innocence by Wednesday, the sailing date, Roland Locke would be taken along as alternate and the matter decided enroute. From what Ruben said, it was judged that if Paddock hadn't proved his innocence by July 19, Locke would start in his place; also if nothing of any sort developed in the meantime, Locke would get the place. Heads they win, tails he loses.

His case will be passed upon by the National Registration committee, twenty-four in number, with Daniel J. Faria as its head. Faria will interview Paddock today, ask him questions, if he presumed he already has answered and pass along the result by wire for the consideration of the committee in the twenty-four districts. A majority vote of thirteen will decide the matter.

Shortly following fourth, the selections in general followed the order of the final in the final trials, this being true of the two dashes, the 400-metre, 800-metre and 1,600-metre runs, the steeplechase, both hurdles, the three jumping events, the pole vault, shot put, hammer throw, discus, javelin and decathlon. Only a disqualification of Paddock would break up the continuity in the 200-metre event but Lloyd Hahn displaced David Martin in the 1,600-metre.

Martin was a fighting fourth in this race, not more than five yards behind the winner and some said he was fouled in the stretch. But the officials didn't see it that way.

Neither did they see the contention that Ron Nichols tripped over the ninth hurdle while leading the 110-metre field because the obstacle was out of place. They had the testimony of an assistant marshal that he observed the delinquency in the middle of the race but hesitated to certify it for fear of disturbing Nichols' stride. But they took the stand that such an error just couldn't have happened and produced the evidence of a photograph, taken after the accident, to prove their contention.

They decided to select only Jole Ray and Johnny Remig in the 10,000-metre run, which probably was a point well taken, but the discrepancy whereby

## George Sisler Making Good Record With Braves' Squad Following His Failure as Leader of St. Louis Browns

BY FRANK G. MENKE

Is Fate about to make amends for the many terrible jolts it handed him through the years?

Lifted to the absolute heights in 1922 when he was acclaimed the star of the American League, Sisler career since then has been splattered with ill luck and tragedy.

A year later, 1923 — Sisler was forced out of the game with a knee trouble which, for a time threatened to end his baseball career. But in 1924, he was back in harness, although his illness still was a handicap to him and his 420 batting of 1922 slumped to 305 in 1924.

Sisler was made manager of the Browns—a splendid tribute to him. But in that he was a failure, not because he lacked baseball knowledge or was minus coaching ability, but because he was "too easy" with his men.

Never in favor of driving his men, Sisler placed them on their honor, with the result that the players took advantage of his leniency. They gathered plenty of liberties unto themselves. The result was a ball team made up mainly of men who were not at all times giving all that they had for the best interests of the club.

It was inevitable that Sisler would be deposed. A man who won't drive his men who must be driven has no place in the managerial end of the game.

Back in the lineup, merely as a player, Sisler played well—but no better than that. The fading greatness of the earlier years was gone. Sisler, ever sensitive to broken by his failure as a manager and his failure to return to

top playing form.

At last the Browns made a deal whereby he went to the Senators. Surprisingly, conditions—these he hoped would enable him to make a "comeback."

But he hardly had a chance. Joe Judge was first having a splendid season for the Senators and Stanley Harris was reluctant to bench him for Sisler. So George sat around from day to day, week after week—a man without a chance.

Finally the Senators figured he was too costly an ornament for bench purposes. They decided to cut him adrift. They asked waivers on him in the American League. No club wanted him.

When he was offered to the National, Rogers Hornsby, the new leader of the Braves, harpooned him.

"I think Sisler is still a great ball player," declared Hornsby.

Given Another Chance

The Braves chieftain promptly shunted the other first sacker to the sidelines and motioned Sisler to first.

"You're the regular, George," said Hornsby, "I believe in you. Now go out and show 'em your real stuff."

Whereupon, Sisler proceeded to field with all the flawless ability of his other years and promptly threw terror into the hearts of enemy pitchers. For George started off at a .350 clip—and he's still at it.

All of which makes everyone happy. For George Sisler all through his baseball years, has been a sportsman and a thoroughbred. One of the finest characters that ever dug a spiked hoof into baseball's greenwood.

Special Editor, The Star

Getting to the offerings of Charley Noel in the third inning, the Mansfield Yankers evened up the series with the Marion Eagles yesterday afternoon at Mansfield, winning by a score of 11 to 4.

With the exception of the third inning, the contest could be considered good. In that fatal frame, five hits, the last one being a home run, sent the Marion hurler to the showers. In the first inning Mansfield obtained one run.

Longshore, who won the initial game of the series played in Marion a week ago, followed the rest ball tosser to the mound, allowing but three hits in 2 2/3 innings. Poor support on the part of Mansfield allowed four runs to be scored in the seventh frame.

Not So Easy

After an easy victory over the Mansfield nine in the first game of the series, the Eagles were apparently looking for something soft in the second encounter. However, it was an entirely different team that faced them in Mansfield. Good pitching, lacking in the first fray, was supplied by Dornkott. He fanned 10 Marion sluggers in nine innings.

The hitting of the Mansfield players was also greatly improved by the addition of new players as can be seen by the third inning rally.

How It Happened

Perrine started the ball rolling in this stanza with a double. Yarnum followed with a sacrifice and the runner scored on Dade's single. The latter then scored on McMillen's three bagger. A single by McMillen and a home run over center field fence sent the defeated Noel to the showers.

With the game lost, Longshore finished the game, holding Mansfield scoreless after the fourth inning until the seventh when four runs were scored. Mans had apparently worked himself out of a steady position with the Eagles when he made two wild throws over second base and failed to tag a runner at the plate.

One of the most sensational plays of the game was made by Rowan in the seventh inning when he robbed McMillen of an easy triple or possible home run by going high into the air to pull down a liner at center field fence.

# Industrial Stocks Figure in Irregular Trading During Day

## LITTLE INCENTIVE FOR SPECULATION

Markets Favorites Drift with No Apparent Place of Destination

### BREAK IN COTTON

Change of \$3 a Bale Follows Publication of Government Report

#### Range

Industrial stocks irregular, railroad stocks active, domestic bonds steady; foreign bonds steady; call money 1/2 to 6 per cent; cotton steady; grain irregular, all irregular; sugar firm, sugar steady; pig iron firm, foreign exchange steady.

BY W. S. COUSINS  
International News Service  
Financial Editor

New York, July 9.—Industrial stocks moved through a narrow range of prices today. The market was characterized by a lack of incentive for speculative activities. The publication of a government report on cotton production, which showed a decrease of \$3 a bale, led to a break in the cotton market. The report, published by the U. S. Department of Agriculture, indicated that the cotton crop was smaller than expected. This news caused a sharp decline in cotton prices, which had been on a steady rise. The decline in cotton prices led to a corresponding decline in the prices of industrial stocks, particularly those of cotton textile manufacturers. The market for railroad stocks was more active, with several issues showing gains. Domestic bonds were steady, with a few issues showing slight declines. Foreign bonds were also steady, with a few issues showing slight gains. Call money rates were in the range of 1/2 to 6 per cent. Cotton prices were steady, with a few issues showing slight declines. Grain prices were irregular, with some issues showing gains and others showing declines. Sugar prices were firm, with a few issues showing slight gains. Pig iron prices were steady, with a few issues showing slight gains. Foreign exchange rates were steady, with a few issues showing slight gains.

## JOSEPH F. LAUER, 76, DIES AT PROSPECT

Funeral Services To Be Held at Home Tuesday Afternoon

Prospect, July 9.—Joseph F. Lauer, 76, died at 11:30 o'clock Sunday morning at his home, North Elm st., following a long illness of apoplexy. Funeral services will be held at 1:30 p.m. Tuesday afternoon at the Baptist Church, the pastor, Rev. S. F. Porter officiating.

Mr. Lauer was born in Allentown, Pa. Aug. 10, 1857, and was the son of Jonathan and Elizabeth Lauer. His wife, Mrs. Rose Barber Lauer, died in 1928. Mr. Lauer followed the occupation of a brickmaker.

Surviving with the widow is one son, George Lauer, of Marion. Two brothers and two sisters preceded Mr. Lauer in death.

## PAYS FINE

Charles Messenger Deprived of Driving Right For Six Months

Charles Messenger, arrested Friday afternoon on a charge of driving a motor vehicle while intoxicated, was released Saturday afternoon when he paid the fine of \$100 and costs and a condition of the \$100 fine for the repairs to the Darral Lee car, with which he was driving. He will, however, be deprived of his right to drive for six months.

## Today in Marion Markets

### Groceries, Produce, Meats, Grain, Livestock

Markets were quiet here today with dealers stocking with fresh supplies following heavier than usual buying. Prices were in the main unchanged from last week. New potatoes continue cheap. No. 1 grades were selling today at from 20 to 25 cents a peck, the quality is good and dealers report a heavy demand. Old potatoes were practically off of the market today. Small quantities were being offered by dealers last week but found few buyers because of the unusually low prices on new varieties.

Dealers were carrying large supplies of new cabbage today, one cent under the price of last week. Cucumbers were holding at five, 10 and 15 cents. The supply was only fairly large and dealers report a big demand. Peas continue plentiful and dealers were offering good quality stock at four pounds for 25 cents. Wax beans are scarce. A few home grown beans were on the market today selling at 18 cents or two pounds for 35 cents.

Black raspberries are more plentiful and were selling at 27 cents a quart. Indications for big crop of raspberries are very good, dealers say. Blackberries were also plentiful today and were selling at 25 cents a quart or two for 45 cents. Watermelons continue only fairly plentiful and dealers report a few sales at \$1 each. Honeydew melons are holding at 45 and 50 cents. Cantaloupes are plentiful and dealers report a big demand at 10 and 15 cents. Pineapples are becoming more scarce. A few were on the market today selling at 20 and 30 cents. California cherries were holding at 40 cents and plums at 20 cents.

## CITY BRIEFS

**Injured in Fall**—William H. Deuser, recovering from a sprained ankle sustained Friday night when he fell on the cellar steps at his home, 279 South Prospect st.

**Two Undergo Operations**—Two operations were performed over the weekend at City hospital. H. C. Osborn of Edison, Route No. 1, was operated for appendicitis Saturday afternoon. This morning Miss Margaret Smith, 372 West Columbia st., underwent a tonsil operation.

**Hold Funeral Rites**—Funeral rites for John C. Kuss, who died Friday at the home of his daughter, Mrs. N. M. Marshall, 202 North Sefton av., were conducted at 2 o'clock this afternoon at the Schaeffer-Queen funeral home, East Center st. The Rev. G. A. Kessler, pastor of Salem Evangelical church, officiated. Burial was in Marion cemetery.

**Shed Burned**—Mystery surrounds a blaze which destroyed a shed with its contents at the home of Dallas Gilbert, 698 Davis st., early yesterday afternoon with a loss estimated at \$50. Members of the family said no one had been near the shed for several hours before the fire was discovered. Firemen from the No. 2 station responded to a call sent in by a member of the family. The fire had gained such headway, however, that the building was destroyed. The building had been used as a storage.

**To Start Examination**—Elmer Zook, assistant state examiner who has been assisting Examiner George Dushman in the examination of the city books, left Saturday for Knox county where he will start examination of the books of the various villages.

**Condition Better**—The condition of D. H. Peters, who underwent an operation for lung abscess at the Frederick C. Smith clinic last Saturday is reported to be improved.

**Cookston Ill.**—Assistant Postmaster L. E. Cookston is ill at his home, Elm st.

**Wanted in Columbus**—Police here have been asked by Columbus authorities to be on the lookout for Lynn Adkin, wanted in that city on a charge of contributing to the delinquency of a

minor. Adkin was described as being about 35 years of age, five feet, six inch tall, weighing about 160 pounds and wearing a gray suit.

**Removed from Hospital**—Mrs. Dorothy Bigley was removed from City hospital to her home, 228 Ballentine av., yesterday in the C. E. Curtis & Co. invalid car.

**Taken Home**—Harold Fetter was removed from City hospital to his home, 273 Reed av., this afternoon in the C. E. Curtis & Co. invalid car.

**Condition Serious**—The condition of Conrad Nickel, who sustained a broken left hip in a fall at his home, 280 Barnhart st., late Friday night, remains serious.

**Meeting Announced**—An announcement of the meeting of delegates of the Ohio Police and Firemen's Pension board has been received at police headquarters. The meeting will be held at the Neil House and will be for the purpose of discussing the pension bills for policemen and firemen. One member of the police and the departments of each city in the state, are eligible to attend.

**Report Auto Theft**—Mrs. Goldie Wells, 238 East George st., reported to the police late Saturday night that her new Ford had been taken from the parking grounds at Crystal Lake park. She was unable to supply the license number.

**Held by Police**—John W. Faist, 50, Charles Faist, 30, and Goldie Faist, 30, all of Grand Rapids, Mich., were arrested at East Center and Main sts. this morning and later turned over to police from Delaware where they were wanted on a charge of stealing chickens. The three were arrested on complaint of the Delaware police who said they had stolen a number of chickens from a farmer in the vicinity of Delaware. No chickens were found in their car when they were arrested here.

**Fined by Acting Judge**—Robert Zeiss, of this city, was fined \$10 and costs by Acting Municipal Judge J. D. Williamson, this morning when he pleaded guilty to a charge of reckless driving. The fine was suspended on condition that he pay the costs which amounted to \$12.50. Zeiss was arrested Saturday after he had attempted to pass another car on the right side while waiting at a railroad crossing.

**"IN MEMORY"**—In loving memory of my dear son, Harry L. Downs, who passed away three years ago today, July 9, 1925. Short and sudden was the call. Of one so young and loved by all. The blow was hard, the shock severe. We little thought the time was near. Forget him, no, we never will. We loved him then, we love him still. And only those that loved can tell. The pain of not saying your last farewell.

## POLICE PLAN PROBE OF GLOBE SMASHING

Chief Says Practice Must Stop; Many Complaints Filed

Warfare on boys and others who have been entertaining themselves by breaking light globes on the street lights, has been declared by Chief of Police J. W. Thompson, following the receipt of many complaints from all parts of the city.

It is not generally known, the chief pointed out today, that a fine of more than \$50 can be assessed against anyone convicted of breaking light globes. Some are going to be caught if the practice is kept up, he said.

While the depredations are usually carried out by boys, a case was recently reported to the office which involved two young men and two girls. According to the story told the police, the men were calling at the home of the girls on the east side of the city and which is located near a street light. Finding the light inconvenient while occupying the front porch, the boys proceeded to break the globe with stones it was stated. Police are investigating.

## WILLIAMSON TO ACT AS MUNICIPAL JUDGE

W. R. Martin Leaves for Rye Beach To Spend Vacation

Attorney J. D. Williamson was appointed by Mayor Earl Hazen Saturday to occupy the bench in municipal court during the absence of Judge W. R. Martin, who with Mrs. Martin and their daughter, left Saturday for a two week vacation at Rye Beach.

Attorney Williamson served as judge during the vacation of Judge Martin last summer. Under the law providing for the establishing a municipal court here, Mayor Hazen can either serve as judge during the absence of the presiding judge or can appoint an attorney. Due to the fact, however, that he would not be permitted under the law to hear civil cases, the mayor has made it a practice to appoint an attorney to serve.

## "JOHN AND JANE" HERE NEXT WEEK

Mr. and Mrs. John Adair To  
Perform on Grand Theater  
Bill

"John and Jane," as they are known to their Marion friends, are coming to Marion to perform again. The two, who really are Mr. and Mrs. John Adair, are really the "John and Jane" of vaudeville and who "will" and "John Adair," will appear at the Grand theater Thursday, Friday and Saturday of next week.

Mr. and Mrs. Adair first appeared here at the same theater, 10 years ago in their own stock company. They have played Marion a number of times since but never before in a vaudeville act.

Their act will be a comedy sketch about a honeymoon as it ought to be, called "Isn't It True?"

In September their act will break up.

### WITH CIRCUS

Here is beauty and the best, but in this instance beauty, represented by Miss Teresa Norman, is on the long and while "Little George" looking after the beast honors, is taking the second count. Anyway you can personally view both beauty and the best when John Robinson's Circus comes to Marion for afternoon and night exhibitions on Saturday, July 14.

"Little George" is one of the inmates of the juvenile zoo and menagerie with John Robinson's Circus, while Miss Norman is one of the four noted Norman girls, English acrobats. These girls are said to be without an equal in acrobatics, possessing abundant nerve and daring, as well as a goodly share of English beauty. The 105th edition of John Robinson's Circus comes with many new and novel features, as well as the greatest of all trained wild animal displays. "King Solomon and the Queen of Sheba," said to be the last word in circus spectacles will open the performances.

## New York Night Clubs and Speakeasies Blamed for Downfall of Young Girls

Situation in Metropolis More Serious Than That of Raines Law Hotel Days. "Committee of Fourteen" Declares in Annual Report on City's Vice Record

New York, July 9.—Night life in New York, centering in secluded speakeasies, private dance studios and the blatant night clubs, was roundly scored today in the annual report of the "committee of fourteen" as the cause of the downfall of a steady stream of young girls.

Girls from all over the United States, as well as those raised in New York City, fall victims of the lure of the night clubs, according to the committee, which described the night club situation as it exists today as "productive of worse conditions than existed in the Raines law hotels of 20 years ago."

The committee was formed in 1905 to eliminate the menace of the so-called Raines law hotels and has since continued to report to the police any evidence of commercialized vice.

"The hostess of the night club and speakeasy is the American counterpart of the Geisha girl of Japan," the committee's report said. "She is employed for the main purpose of increasing the sales of liquor, food and other drinks, and, incidentally, she is to provide entertainment for the men customers. Her sex appeal largely accounts for her success."

"Speakeasies, and night clubs are now too numerous to succeed from the sale of liquor without the added attraction of 'hostesses.' The night clubs are bold enough to advertise recruits. So far as is known, only one paper has accepted these advertisements. These advertisements have had the result of not only drawing local girls into this occupation but also girls from outside places in various parts of the United States."

better classes are attracted to the night clubs which, the report says, "are cloaked with an apparent respectability which is likely to throw the unsophisticated off their guard."

"Outside of the problem of immorality they provide for the young men and the young women the lure of music, entertainment and dancing, coupled with alcohol and a free and easy atmosphere—and they are open all night," the report declares.

The report states that of the 157 night clubs and speakeasies investigated 132 or nearly 85 per cent, were identified with vice. It describes conditions in the closed dance halls where men customers purchase tickets for each dance and state that this type of hall

"It is believed the night club and speakeasy have been directly responsible for a marked increase in the volume of vice. This is true because they provide a place for the operations of the exploiter and the fallen woman and a meeting place with the customer. No similar places have existed since the days of the Raines law hotel and the saloon with back rooms."

Wear "Clock," Is Charge

Young men and young women of the

"is a growing and serious menace" and a place where the largest number of young girls first get their start on the wrong path. The report also condemns the private dance studio operated by young and attractive girls where lessons are given in private rooms.

# PACKARD SIX MODELS REDUCED \$300

THE Packard Motor Car Company has just advised us by telegram that effective July 9 prices of all models of the Packard Six have been reduced \$300. The new prices are as follows:

### 126" Wheelbase Models

2-Passenger Runabout	\$1975
5-Passenger Sedan	1985
5-Passenger Phaeton	1975
2-Passenger Coupe	2050
2-Passenger Convertible Coupe	2125

### 133" Wheelbase Models

7-Passenger Touring	\$2185
4-Passenger Coupe	2385
5-Passenger Club Sedan	2385
7-Passenger Sedan	2385
7-Passenger Sedan Limousine	2485
2-Passenger Runabout	2085
5-Passenger Phaeton	2085

(Prices f. o. b. Detroit)

These reductions have been made because the factory expects to announce in the late Summer, new cars which though identical in size and similar in appearance, will have enough mechanical changes to classify them as new models.

In view of these reduced prices and of the fact that the new cars will be priced higher than the present cars were before this reduction, the purchaser of a Packard Six has now not only a great price advantage, but also immediate use of the most successful and popular car Packard has ever built, and at the lowest price at which new Packard cars have ever been offered.

Your used car will be accepted as cash and if of average value will more than make the down payment on the new car. Your cash outlay will then be only \$100 or so a month on a Packard Six which the average owner keeps more than four times the payment period.

## Health Officials Move to Prevent Another Infantile Paralysis Epidemic Here

Dreaded Disease Again Occupying Attention of State and City Authorities; Take Precautions To Halt Repetition of Last Summer's Experience

Poliomyelitis, or as it is more commonly known, infantile paralysis, the dreaded disease of the summer and fall months, is again occupying the attention of both state and city health officials. The action is being taken because of any outbreak of the disease. It was explained by City Health Commissioner Dr. J. W. Weiner, today, but

purely as a means of preventing a repetition of last summer's epidemic. There have been no cases reported in the city, the health commissioner said, and as far as is known there has been no outbreak of the disease in the state. With the vision of last year's epidemic before them, state and city health officials are taking every precautionary means of preventing a repetition of last summer's experience, as the season for the appearance of the disease draws near.

Fourteen cases with two deaths, was the report of the city health department for last year. That there were also many cases which were not reported in the belief of the health department. The first case reported last year and the most severe, was that of John Mosher, seven-year-old son of Mr. and Mrs. John Mosher, 168 Clover ave., which was reported on August 11. Five additional cases were reported during August, four in September, one in October and three in November. The Mosher boy who suffered paralysis of both legs, is now under the care of an orthopedic surgeon of Columbus.

### Cannot Place Blame

children during the months from June to December. "We have good reasons to believe that not one-fourth of the actual cases of poliomyelitis were reported last year because of the mild form in which some children were afflicted," the News says. "There is ample evidence that the spread of the disease, with its terrible consequences, was due in a great measure to these mild cases, which, unrestricted spread the disease to those coming in contact with them."

"It does no good to attempt to place the blame after paralysis has set in. It is then too late to do anything but hope for the best. Many cases recover, more or less completely, but if any one could see the paralyzed limbs and restricted little bodies which too often result from this preventable disease, they would agree that an measure of prevention is too irksome to carry out nor any degree of exposure to severe for those who let any interest but that of the community predominate."

"Keep your children in their own yard" is the slogan adopted by Dr. John P. Menger, head of the state board of health as the greatest means of preventing the spread of the disease.

"We have unmistakable evidence," Dr. Menger says, "that infantile paralysis is transmitted just as measles, scarlet fever, and other like diseases are, and that multiple cases in the same family, or corresponding groups, are just as common as in any other respiratory disease."

### ENTERTAINS CIRCLE

Miss Geneva Souley Is Hostess in Church Group

Agosta, July 8. A costume party was enjoyed Thursday night when Miss Geneva Souley was hostess to the Queen Esther Circle.

In company with Evelyn Tron, Margaret Korody and Laura Betty Eisele were winners. Those present were Miss Lena Schuber, Green Camp; Miss Donna Indoby, of Marion, and Miss Evelyn Tron, Laura Betty Eisele, Ruth Drake, Golda Kinsler, Cartha Dutton, Frances Indoby, Fernie Wise, Bernice Peak, Isola Artz and the five new members, Misses Helen Fowelson, Prada Mae Schuber, Genevieve Kannel, Beulah Kade and Evelyn Kannel.

The next meeting will be the second Thursday in August with Miss Bernice Peak, Gus Benton Ellis, Melvin Chapman and Mr. and Mrs. W. G. Dutton were guests.

No one is likely to get messed up in mistaken love affairs if he doesn't rather heavily cultivate the sentiment himself.

## Safety Club Kids Can Have Glorious Day For 27 Cents

(By Just Kids Safety Club Editor)  
What a "peach" of a day you kids'll have all for 27 cents.

Now, how many of you can't scrape together 27 cents for a glorious day of fun? First of all there's that whizzing merry-go-round, with its yellow horses, mammoth rabbits, ferocious wild animals; all just waiting to be ridden.

And is there a one of you who can't get a lot of fun out of those skooters? You can ride 'em Monday, July 16, for three cents.

The large airplane for the older members, and the small plane for the little tots, will be going at top speed that day and you can all enjoy the rush of cool air for the same amount.

There were more than 70 batteries used on the Clatter cars at your last party, so there won't be any necessity of urging you to set aside three cents for this attraction.

That creepy, thrilling Old Mill can be viewed again, too. Remember the little old church in the moonlight, the circus, and all the other things you loved.

But if some of you would rather

swim when you went through it June 11?

Bathing will cost nice cents. Three cents for checking your clothes, three for your suit, and three cents for the swim than ride. Have your parents drive you out in your bathing suit, and take your towel, and you can swim for three cents.

Kids who bring their own suits and towels will only have to pay three cents for checking their clothes.

Don't be afraid to rent one of the bathing suits at the park, either, for every morning one of the local laundrymen collects the suits at the park, washes, steams and brooms them, for the protection of the public.

Send in your letter to "Addy" Bain, and save your hard-earned money, for there's a big day in store for you.

Watch The Star, too, for an announcement of the arrival of the new shipment of Safety Club buttons, for those who haven't them.

**FOG AND ICE HOLD UP RESCUE FORCES**  
Impossible To Reach Stranded Noble Party; Fear for Lives of Refugees

July 9.—Capt. Tornberg, commander of the Swedish air relief party, has sent a radio to the rescue forces, saying that thick fog and ice have held up the rescue forces. The fog is now trying to make a detour of the ice. No word has been received of Capt. Sora, Italian leader of a dog team, who set out more than two weeks ago to search the northern coast of north east land for the missing members of the Noble expedition. Nor has any trace been found of the lost Amundsen party.

**SEVEN-YEAR STEEL PLANT STRIKE ENDS**  
Men Return to Work at Newport, Ky., on Anniversary of Walkout

Cincinnati, July 9.—Workmen of the Newport, Ky., rolling mills of the Andrew Steel Co., were returning to work here today with the consent of their union heads after a seven-year strike. The strike was called off on the anniversary of the walkout for the benefit of Newport citizens, labor officials said.

When officials of the Andrew Steel Co. refused recognition of common laborers as union members, the strike was called. This took place seven years ago. Immediately after the walkout several clashes occurred between union mill workers and strike breakers, resulting in one death and injury to numerous others. The disturbances were quelled by state militia, which established a camp within the yards of the steel company mills. The soldiers were withdrawn within a short time, however.

During the long period of the strike many workmen were taken back by the firm, and it is said that with the official release of the state of strike, the remainder of the old employees will be re-employed if they desire to return.

**SPEAKER ASKS AID IN NEAR EAST FUND**  
Cleveland Man Addresses Upper Sandusky Congregation at Morning Service

Upper Sandusky, July 9.—Choosing as his subject, "The Social Element in Church Life," the Rev. N. W. Sager, pastor of Trinity Evangelical church, addressed a large audience at the union services held last night at the Presbyterian house of worship. The young people's union service was led by Miss Mary Elizabeth Croner, the topic for discussion being "What Can We Do To Help Improve Our Community?"

A plea for the support of the Near East Relief fund was made at the morning service at the Methodist church with Dr. Willard Gildensleeper Warner, of Cleveland, bringing the message of the starving children of those lands and the work being accomplished for them. Pledges for the support of a number of children were signed following the address. Mrs. Frederick Helser sang a solo at this service. Members of the Junior church have disbanded for the summer months.

**RADIO INSPECTOR TO PROBE AIR SCANDAL**  
Crooksville Agog Over Revelations of Mysterious Sending Stations

Crooksville, July 9.—Although county and village officials have branded as pure fiction published reports that this village harbors a mysterious, scandal-mongering radio station, identified as "IDQ," a radio test car bearing a federal radio inspector was expected from Detroit today in an effort to clear up this latest bogey of the air.

The theory was voiced that some high-powered radio salesman with a fertile imagination had originated the story by means of which he hoped to multiply the sale of radio sets which slump during the summer months.

Mayor P. M. Hogg said he had never heard of the station and Sheriff Harley McNabb, New Lexington, who was reported to be investigating the station's activities, likewise professed ignorance of the etheral "IDQ" pen.

Meanwhile, the village is agog over the alleged spreading of scandal by a mysterious station, and although many aver it is but a myth, wives, husbands and home brew artists are wary of their confidences.

**GRAND JURY MAY BE CALLED THIS WEEK**  
"Full House" at Hardin County Jail Makes Extra Session Necessary

Kenton, July 9.—Because of a "full house" at the Hardin County jail, an extra session of the Hardin County grand jury may be called during the week to relieve the situation.

Although a definite date has not as yet been set it is likely that the jurors will be called on Wednesday, July 11.

According to information 13 prisoners are now held in the jail. Most of them are being held for grand jury investigation and are unable to furnish bail.

Only those who are unable to provide bond will be brought before the special session, Prosecutor Loucks H. Brown said today. Others who are bound over to the grand jury but are at liberty under bond, will be held over until the September term of court.

**LOCAL GUARD UNITS TO ACT AS ESCORTS**  
Will Entrain for Camp Perry Following Reunion Next Saturday

Howitzer and D companies of the Ohio national guard, will be a part of the honorary escort for former members of the famous Rainbow division when its veterans of the World War meet in Columbus this week for the annual reunion.

The Marion national guard units are members of the 109th Infantry, a component part of the former Rainbow Division. They will join in the parade for the veterans of the division in Columbus next Saturday.

The two Marion guard units will leave the city at 8:45 o'clock Saturday morning for Columbus on a Hooking Valley special train. Following the reunion parade they will entrain for Port Clinton on a special of the Pennsylvania railroad at 3 o'clock Saturday afternoon. The baggage car with paraphernalia of the two companies will be picked up by the special train passing through Marion enroute to Port Clinton.

The two Marion companies, together with other units of the 109th Infantry, will travel to the camp by way of two special Union Pennsylvania trains from Columbus.

An advance detail of cooks will leave here Thursday for Camp Perry, according to commanding officers of the companies.

The Howitzer company will take 65 men to camp while the D company will take 40 men.

**SHOWS GAIN**  
Crawford County Recorder's Office Shows 102 Deeds Filed

Huey, July 9.—The month of June was a healthy one in Crawford county from the standpoint of statistics compiled by County Recorder H. O. Sharp from his records of business in that department for the past 30 days ending June 30.

The records show that 102 deeds were filed for record as compared with 72 records filed the month previous; 64 mortgages were filed against 66 the month before; 477 chattels were filed against 32 in May. June was the fourth consecutive month in which more than 400 chattel mortgages were filed.

**CLOSE RURAL SCHOOL**  
Teacher of Kelly School Transferred to Mt. Victory

Mt. Victory, July 9.—With a decision to close the Kelly rural school, four miles northeast of here, the Mt. Victory rural board of education has transferred the teacher retained for that school to a position as teacher of the second grade in the Mt. Victory school. Miss Helen Knapp will have charge of the second grade while Miss Goldie Jones, formerly instructor of the first and second grade children, will teach the first grade pupils.

An increase in enrollment made necessary an extra teacher in the first two grades.

**WILL PROBATED**  
L. A. Ansley Leaves Legacy to Hardin County Church

Kenton, July 9.—The estate of the late Lincoln A. Ansley, former Hardin county sheriff and business man, whose death occurred several days ago, is estimated to be worth in the neighborhood of \$100,000, according to information from probate court where the will was probated.

With approximately \$61,500 being willed in individual legacies, the residue is left to the Church of Christ, the will provides.

**\$425 COLLECTED BY COURTS AT KENTON**  
Violations of Liquor and Traffic Laws Net Large Sum

Kenton, July 9.—Violation of the liquor and traffic laws netted Kenton and Hardin County approximately \$425 in fines and more in costs, over the week end.

James Wolfe, Hepburn, was fined \$100 and costs by Probate Judge Isaac McElroy, when he pleaded guilty to the charge of possessing intoxicating liquor. He was placed in custody by Sheriff John Crooks when he is alleged to have been intoxicated and was raising a disturbance on the Howard rd., east of here. He is alleged to have had a half pint of liquor in his possession.

George Fitzpatrick, Kenton, was fined \$100 and costs by Mayor W. J. Ochs after he pleaded guilty to the charge of reckless driving. He was arrested by Sheriff Crooks and his deputy, F. W. Haudenschild, following a three-car smashup along the Harding highway west of here.

The Kenton man was alleged to have attempted to run between the two cars out of a side road. All three machines were damaged but the occupants escaped.

James Wilkrow and Charles LeVathey, both of Rushsylvania, pleaded guilty before Probate Judge McElroy to the charges of transporting and possessing liquor, and were fined \$100 and costs each. A third man, J. W. Wilkrow, Rushsylvania, was fined \$25 and costs on an intoxication charge. The three were arrested by state prohibition officers south of here.

Walter Blank, 18, Alger, spent his birthday anniversary today in the Hardin County jail. He was arrested by county officials on a petit larceny charge and is being held for hearing. According to charges of the New York Coal company officials, the youth stole corn on two different occasions from their property and had taken gasoline twice.

**TROOPS ON GUARD AS MILLS REOPEN**  
Few Strikers Resume Work in Massachusetts Textile Plants

New Bedford, Mass., July 9.—With a National Guard unit of held until July 10 in reserve to the force of 350 regular and special police, the 56 plants operated by 26 textile mill corporations opened their gates today for the first time since April 16 when 27 thousand operatives left their spindles and looms as a protest against a 10 percent cut in wages.

The operatives were invited to return at the 10 percent reduction in wages but a quick canvass of the 56 mill units showed that the ranks of the strikers had stood firm.

The operatives also heeded the warning of their leaders to maintain order. The mill gates were open from 6:45 a. m. to 7:30 a. m. when they were again closed, but there was no sign of disorder.

The only sign of excitement in the town was at the gate of the Hathaway mills. As the big mill gates rang shut at 7:30 o'clock a cheer went up from the crowd of 5,000 strikers and sympathizers gathered outside. It had been the supreme test for the workers and they had won, for very few operatives had entered any of the gates.

Members of the radical wing of the strikers were open in their bitter criticism of Mayor Charles S. Ashley in calling out the militiamen, and threatened impeachment.

Old age doesn't hold any more; it only grows gently amiable.

If a growth is a war in his ground, less, one doesn't mind.

**BANQUET WINNERS**  
Mt. Victory Church Group Entertains Members and Guests

Mt. Victory, July 9.—The Women's Home Missionary society held a banquet for the winning side in a contest which closed in June, Friday, July 6. Forty-four members and guests were present. The feature of the afternoon's entertainment was a play "Interviewing Servant Girls" given by Mrs. Carey Overhiser, Mrs. Ben Moninger, Mrs. Frank McCall, Mrs. Edwin Chapman, Mrs. G. F. Mouch, Mrs. Roy Johnson, and Mrs. Chandra Holmes.

Mrs. Ben Moninger and Mrs. G. F. Mouch sang a duet entitled "Gomena," followed by games and contests.

Guests of the society were Mrs. H. L. Scott and Mrs. Roy Johnson of California, Mrs. W. G. Smith of Toledo, and Mrs. Henry Selt of Rushsylvania.

**BUYS COLLEGE**  
Hartford, N. Y., July 9.—Mr. Joseph's Normal college conducted by the Christian Brothers of Mount St. Joseph, has been sold to John D. Rockefeller, Jr., for \$500,000, it was learned today. Rockefeller, it was said, ran today the college \$1,000,000 towards the cost of its removal program, the largest single contribution he has ever made to Catholicism.

The college property contains 500 acres and a 100-acre property already owned by Rockefeller. Eventually he plans to raze the college buildings and add the land to the woodland of his estate.

**A TENDER TASK, ABLY ATTENDED**

**THE** soul has gone: but there remains practical care and attention to be given. The arrangements for the funeral, the program of the funeral, the ability and every facility necessary must be in character and kind, reliable in every way; able and efficient. The grieving hour that comes to every home must not dispel good judgment in choice of mortician. A tender task is at hand. It is a time for practical thought in correct choice of the mortician engaged.

**CONTRIBUTING** funeral service that is deep in character of attention and care, and high in policy, principle and practice, we hold to the belief that the funeral is an owed to a loved one departed—not merely a final consequence and necessity alone. We suggest that greater funeral thought to you and wish it suggest the greater value of funeral service we therefore give. Let your regard for the one you love be your guide.
